# YURIMM Fairy Tales

## Chapter 1 "Lily White"♀

When we went back and re-read some of the fairy tales you all know and love... we found that more than 90% of them were yuri. (This is according to the Editing Department's research—so maybe it was just we still thinking "!") These Yurimm Fairy Tales are the result of that half-baked investigation♀★

First up is Snow White's story!♥

Art: SAKURA SHO

Story: KAORI MOZUKU

note: (In: Japanese title of Snow White is Shirayuki-hime (White Snow Princess)" This story is title... Shirayuri-hime (White Lily Princess)★

Mirror, mirror, on the wall... where is my Onee-sama?

"Mirror, mirror on the wall Who is the fairest of them all?"

"Lily White, with her skin as fair as lilies, her hair as dark as a moonless night, and her lips as red as rubies."...

"What? She is more beautiful than I? Then she shall die!"

Lily White narrowly escaped the evil clutches of her stepmother, who had been driven mad by jealousy. As she wandered the forest, she came across a deserted cottage standing in the shadows of the trees.

"Oh, my! What a darling little cottage! I wonder whom it belongs to?"

Lily White, in her naivete, entered the cottage, crawled into one of the beds, and promptly fell asleep. Then the seven mistresses of the house returned.

*note: Either one's older sister or a young woman old enough to be one's daughter.

# Beautiful sister

"Ahhh! Who is this girl? She's exactly the kind I like! Let me give her a kiss! I don't mind if it's just on the cheek."

"Use my arms as a pillow."

"No wake up and try the grub I made!"

"How about having the yummy sweets I made?"

"Let's get tipsy on the wine I brewed."

"C'mere n' I'll sleep wit'cha."

"What are you saying? This maiden shall sleep by my side. She shall find no hardship there. It seemed there was one among them who was of noble birth."

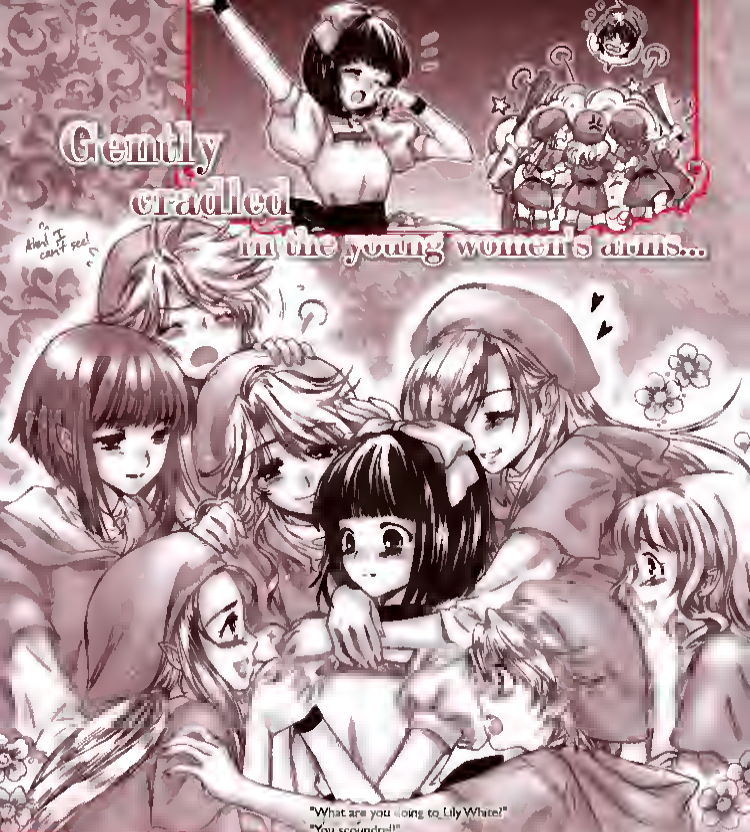
[illegible]

women's assault. She lay there like a helpless little rabbit.

"But they all seem like beautiful, kind young women... Ehe!"

Lily White's stepmother spied her in her mirror once more.
"She still lives! And look how they shower her with affection! I envy her s-... no, I detest her so!"
Sauteed apples, apple candies, apple cakes, and so on and so forth, laden with poisoned apple treats, Lily White's stepmother paid a visit to the cottage in the woods.
"Would you care for an apple?"
"Oh, my, it looks delicious!"
When Lily White took a bite of the apple, her ruby lips lost their color and her skin was shadowed by her dark hair. Her obsidian eyes shut, she lay unmoving, as though death had claimed her.
"...Please, awaken!"
The young women, who found it difficult to resign themselves to Lily White's fate, decided to place her in a glass coffin and pray for her.
We beg of you, grace us with your smile once more!

One day, drawn by the coffin's shine, a travailing prince... no, a princess in prince's clothing, who also happened to be a ladykiller... came upon Lily White.
"What a lovely princess!"
Taking advantage of the fact that the mistresses of the house were out, the princess opened the coffin and took Lily White in her arms. With her long eyelashes, her soft cheeks, and her lips like flower petals..... she was so beautiful, she looked like an exquisitely crafted doll.
"My dear, you shall be mine."
As the princess leaned in to kiss Lily White...
"What do you think you're doing, you pervert!" An angry shout resounded through the forest.
The seven young women had returned home from their daily labors.
You must be the woman I'm destined to love.
The one I've been searching for my whole life.
I've been searching for you.
SMACK!



"What are you doing to Lily White!"

"You scoundrel!"

The young women were rather extreme, short-tempered, and extraordinarily capable; the princess took quite a beating.

"Ahn~! It's so loud I can't sleep~!" Lily White said, suddenly awaking.

How great the power of yuri was, that it could even neutralize poison! It was a bit nonsensical.

"Thank goodness! Lily White!"

"You've awoken!"

The young women descended upon Lily White. There was a flurry of kisses and embraces.

Lily White and the young women lived happily ever after. Meanwhile, the poor princess elected to continue her travels.
